+ NEW
OPTO SLIDER

New European designed OPTO sliding screen

Limited only by your imagination our custom designed showerscreens will be a stunning addition to your bathroom. All screens are complemented by a range of quality finishes and installed to the highest quality standards.

Utilising the latest waterproofing techniques requires no channels or framework, our shower screens are not only spectacular in appearance but also refreshingly easy to clean.

Ezy-Glide sliding screen, perfect for smaller spaces

+ mirrors

wide range of edges + custom design

We offer a choice of high-quality mirrors that will add value by creating the illusion of space and light.

All our mirrors are made to order and you can choose from a range of edges including polished, bevelled and framed.

+ pool fences & balustrades

grade 'A' toughened safety glass + expert installation

Designed to withstand the elements, our pool fences are made from 12mm toughened Grade A safety glass and is custom made to suit your needs. Choose from clear or feature glass options to create the effect you desire.

Practical and functional our balustrades allow a 'free flow' design creating an impression of openness. As well as adding value to your home they also act as a secure barrier.

+ glass splashbacks

choose any colour + textured finishes

Glass Splashbacks are the perfect surface for kitchens, bathrooms, laundries and feature walls. They offer a modern, clean design that is hygienic and easy to maintain.

Choose from an extensive selection of finishes including effects such as metallic, pearl shimmer or slump.

'its what we do'

We create stunning frameless glass solutions to suit your style and space through unimpeded freedom. Frameless glass is our passion and we continue to be at the cutting edge of design and technology. We are committed to working closely with you to ensure your project is 'cutting edge' and a true reflection of your personality.

A specialised measure is arranged to ensure your new screen fits perfectly. All products are made to order and installed by the most experienced tradespeople in the industry.

Our commitment to, service, quality and customer satisfaction will ensure your renovation or building project is enjoyable and hassle free.
